

Roche Diabetes Care

History

Since 1974, Roche Diabetes Care has been committed to making living with diabetes easier by anticipating needs of all people with diabetes and their healthcare providers. By supporting people with diabetes and their caregivers with all the tools necessary to collect information, analyze data and translate the key findings into appropriate therapy, the Accu-Chek brand helps to empower people to live their lives to the fullest. With more than 35 years experience in diabetes monitoring and 25 years in insulin pump therapy, Accu-Chek is a leading pioneer in the area of diabetes management.
